

VMEbus Front Panels

Standard Products Shown

Lifetime Warranty

Features

- ◆ Lifetime Warranty
- ◆ Available in 3U, 6U and 9U heights (standard)
- ◆ Available in standard widths:
 - 4HP (1 slot width)
 - 8HP (2 slot widths)
 - 12HP (3 slot widths)
- ◆ Custom heights and widths available upon request
- ◆ Alodine coated for maximum electrical conductivity and superior corrosion resistance (alodine is also known as chromate or iridite)
- ◆ Alodine specification and certifications: MIL-C-5541 (superseded by AMS-C-5541) and AMS-A-2470, Class 3 (Class 3 provides enhanced electrical conduction)
- ◆ Brushed cosmetic surface
- ◆ 1101.1 eject handles are standard
- ◆ PCB mounting screws are included with each front panel
- ◆ Custom sizes and cutouts are available - contact the factory

Overview

The complete line of Dawn's VMEbus front panel assemblies is a perfect complement to standard Eurocard card cages and enclosures. These quality front panels include expertly crafted IEEE 1101.1 eject handles as well as all the related metric hardware and accessories.

Standard 3U, 6U and 9U sizes are listed in the "Ordering Information" section in this data sheet. Standard widths include 4HP, 8HP and 12HP, though other slot-width increments as well as fractional slot width sizes are available - contact the factory for more information.

Also available are custom versions which include apertures for connectors, LEDs, switches and other front panel-mounted components.

Scope of Supply

A list of standard items included with each of the respective front panel heights can be found below:

VMEbus FRONT PANEL MATERIAL LIST			
Height	Item*	Description	Qty Supplied
3U (5.22")	1	Front panel, 3U	1
	2	Ejector handle, top	1
	3	Brkt, top	1
	4	Ejector handle, bottom	1
	5	Brkt, bottom	1
	6	Brkt center support	N/A
	7	Sleeve, retainer, plastic, gray	2
	8	Screw, Cap., M2.5x11	2
	9	Screw, PHFLT, M2.5-8, 90° CSK	2
	10	Hexnut, M2.5x0.45, SS	2
	11	ID plate	2
6U (10.47")	1	Front panel, 6U	1
	2	Ejector handle, top	1
	3	Brkt, top	1
	4	Ejector handle, bottom	1
	5	Brkt, bottom	1
	6	Brkt center support	1
	7	Sleeve, retainer, plastic, gray	2
	8	Screw, Cap., M2.5x11	2
	9	Screw, PHFLT, M2.5-8, 90° CSK	3
	10	Hexnut, M2.5x0.45, SS	3
	11	ID plate	2
9U (15.72")	1	Front panel, 9U	1
	2	Ejector handle, top	1
	3	Brkt, top	1
	4	Ejector handle, bottom	1
	5	Brkt, bottom	1
	6	Brkt center support	2
	7	Sleeve, retainer, plastic, gray	2
	8	Screw, Cap., M2.5x11	2
	9	Screw, PHFLT, M2.5-8, 90° CSK	4
	10	Hexnut, M2.5x0.45, SS	4
	11	ID plate	2
